****Wilds are Jokers and 2's**

****Dirty book has wilds in it**

To lay down

Round 1 you need 90 points

Round 2 you need 120 points

Round 3 you need 150 points

Round 4 you need 180 points

****To start pick up 2 piles of 11 and give one to the person on your right the other to the person on your left**

One will be you hand, put the other aside for later as it is your foot.

****to lay down your 90 points you must have at least 3 of each card to equal that number**

****Round (1) draw 3 cards. Round (2)4 cards round (3) 5 cards round (4) draw 6 cards**

****you must have laid every card down to pick up your foot.**
